

Hides Gas Development Company Limited

Who we are

- HGDC was established in 2009 to be the umbrella landowner company of the greater Hides area
- HGDC is recognized by ExxonMobil as the umbrella Landowner company for the upstream section of the PNG LNG Project
- HGDC represents 15 regional landowner companies with a fully represented Board, comprising of 14 Directors
- HGDC supply a local labour force to Esso Highlands Limited and Engineering, Procurement and Construction (EPCs) contractors of the PNG LNG Project
- HGDC has entered into Joint Ventures with several highly reputable companies to ensure a high quality service delivery
- HGDC will continue to work cooperatively with our EPC partners and ExxonMobil to achieve a mutually beneficial outcome
- HGDC continues to seek new commercial opportunities to expand the business platform beyond the reserved areas of commercial activity.
- HGDC wants to build a sustainable long term business that will deliver value to their Landowner shareholder base.

Our Mission

“To be recognised and respected as the role model land owner company throughout PNG”

Our Vision

“Building a sustainable competitive organization that will service the commercial needs of the PNG LNG Project and beyond ”
